

— LOOK INWARD. GO UPWARD.

Teach the next generation of leaders.

Summer Springboard helps pre-college students build self-awareness so they can choose colleges, majors, and careers that fit their own vision of success. Our instructors make that possible.

Why teach with Summer Springboard

Teach what you know

Lead hands-on, project-based classes in your own area of expertise.

Focus on teaching

We handle classrooms, course supplies, and logistics so you can focus on students.

Standout students

Engage bright, motivated middle and high school students from around the globe.

Shape the program

Work with your Program Director to refine the curriculum and plan off-campus excursions.

Competitive pay

Paid per session, in recognition of your expertise and your time.

Mentor community

Join educators and professionals who share your passion for teaching and mentoring.

SIX ACADEMIC TRACKS

- Medicine & Healthcare
- Engineering & Science
- Computer Science
- Business & Law
- Media & Design
- Humanities & Liberal Arts

13 CAMPUSES, FROM COAST TO COAST

Barnard · Berkeley · Duke · Georgetown · Georgia Tech · NYU · UCLA · UC San Diego · UC Santa Barbara · U. Michigan · U. Washington · Vanderbilt · Yale

Ready to join us?

Master's, PhD or significant industry experience? Let's talk.

Subject: "Instructor Application – [Course] – [Campus]"

HOW IT WORKS

- 1 Email your resume and tell us about yourself
- 2 Zoom interview with your Program Director
- 3 Plan your summer and shape the curriculum

Classes run 9am–12pm, Monday–Friday, plus a few afternoon hours on Tuesdays and/or Wednesdays for course excursions. Summer Springboard programs are not run by our campus partners; universities and their affiliated departments are not responsible for the program in any way.
