Student Life

Based in the heart of Washington D.C, students have the opportunity to enjoy visits to an array of iconic museums, government buildings and monuments.

Lodging and Meals

Students share a dorm room with roommates and share a common bathroom, floors are gender segregated. Students also eat most meals at the Leo O'donovan dining hall, right across from the dorms.

Academics in Action

Afternoons at Summer Springboard bring learning to life through Academics in Action, a dynamic mix of academic excursions, guest speakers, instructor-led activities and independent study. Students will explore their interests beyond the classroom and apply new knowledge, hands-on.

College Readiness Workshops

All students choose and participate in two of the four offered workshops designed to engage youth with various skills for a successful transition to college. The 90-minute sessions cover Speaking with Confidence, Mastering Money, Developing Leadership and Prepping for College and Career.
