## Middle School Campus

This is a one-week program where you'll focus on one course for the entire duration.

## Academic Courses:

- Business & Entrepreneurship
- Fundamentals of Engineering
- Architecture
- Medicine
- Nursing
- Psychology & Neuroscience

Courses are taught by accomplished and passionate faculty recruited from many area colleges, universities and professional forums. Each faculty member is selected for their subject area expertise and proven ability to both challenge and captivate students.

Summer Springboard programs are not run by our campus partners (with the exception of Cal Poly, University of Washington Foster School of Business, and NYSID which are run in partnership with SSB). Universities and their affiliated departments and partners do not control and are not responsible or liable in any manner for any part of the Summer Springboard program.

## Student Life

Soak up the energy of Berkeley's vibrant campus full of iconic spaces, delicious coffee, boba and inspiration around every corner. Students will also participate in True You, a two-session group reflection about their SSB journey, personal goals and discoveries.

## Lodging and Meals

Students share a dorm room (without A/C) and use a common bathroom - just like freshmen on campus often would! Lodging will be in the same Residence Halls Complex as Berkeley freshman. Meals will be at Crossroads Dining Commons or at local eateries in Berkeley which can accommodate most diets.

## Academics in Action

In the afternoons, the middle school students participate in academic labs that will give them time to tinker on their course projects or work on a hands-on project that will bring their learning to life.

## Requirements

- Middle School Program: Students must be between the ages of 11-13 and have finished 6th grade
- A grade point average of 3.0 (or equivalent)
