Student Life

Summer Springboard students at Yale live in historic residential colleges and have access to landmarks like the Yale University Art Gallery, Peabody Museum and Sterling Memorial Library. Groups of three or more may explore independently within a defined campus boundary. SSB staff lead evening activities and chaperoned excursions into downtown New Haven, famous for its apizza.

Academics in Action

Afternoons at Summer Springboard bring learning to life through Academics in Action, a dynamic mix of academic excursions, guest speakers, instructor-led activities, and independent study. Students will explore their interests beyond the classroom and apply new knowledge, hands-on.

Lodging and Meals

Students share a dorm room and use a common bathroom at Yale, experiencing residential life just like Yale freshmen. Your mentors live down the hall to provide support and ensure your safety and security. Meals are served at Yale's award-winning dining halls within walking distance of the dormitory, or at local New Haven eateries that accommodate all dietary needs.

Requirements

- For students entering grades 9-12
- A grade point average of 3.0 (or equivalent)

Summer Springboard - 2027 is operated independently of Yale University and is not sponsored or endorsed by the University.
