

SUMMER SPRINGBOARD
Look Inward. Go Upward.

Georgia Tech Program Infosheet

New student admissions for Summer 2027 are open

2-Week Campus

Pick a 2-week pre-college course of your choice.

About

Students have the opportunity to live, learn, and connect while immersed in one of the top public institutions in the nation. Georgia Tech is renowned for its exceptional programs in science, technology, and engineering. It consistently ranks among the best in the STEM fields and is committed to innovation. Located in the heart of Atlanta, this institute provides easy access to explore a vibrant city known for its significance in both the Civil War and the Civil Rights Movement. The combination of Atlanta's historical and cultural significance, along with Georgia Tech's academic excellence and modern campus, makes it a wonderful place to experience the Summer Springboard program.

Session Dates:

- Session 1: June 13 - June 25

Summer Springboard programs are not run by our campus partners (with the exception of Cal Poly, University of Washington Foster School of Business, and NYSID which are run in partnership with SSB). Universities and their affiliated departments and partners do not control and are not responsible or liable in any manner for any part of the Summer Springboard program.

Student Life

Georgia Tech is known for its blend of modern facilities, historic buildings, and innovation in public spaces. Surrounded by nature yet in the heart of the city, students have the best of both worlds. There are numerous fields and open areas where students can hang out and play games, Students will also participate in True You, a two-session group reflection about their SSB journey, personal goals and discoveries.

Lodging and Meals

Students will be housed in a comfortable, air-conditioned building featuring in-suite rooms. Each room includes an extra-long twin-sized bed, a desk and chair, a wardrobe, and a dresser. Bathrooms are in-suite and typically shared among four students. Mentors live on the same floors as the students and are available to assist with any needs. Students have access to free laundry facilities, vending machines, a courtyard, and common lounge areas, making it a great place to relax. Students will have their three daily meals either in the dining hall or off-campus.

Academics in Action

Afternoons at Summer Springboard bring learning to life through Academics in Action, a dynamic mix of academic excursions, guest speakers, instructor-led activities and independent study. Students will explore their interests beyond the classroom and apply new knowledge, hands-on.

College Readiness Workshops

All students participate in a rotation of workshops designed to engage youth with various skills for a successful transition to college. The workshop sessions cover Speaking with Confidence, Mastering Money, Developing Leadership, and Prepping for College and Career. Led by experienced instructors, these workshops provide a solid foundation to help students navigate their future academic and career endeavors.

Requirements

- For students entering grades 9-12
- A grade point average of 3.0 (or equivalent)
