Student Life

Students have the unique opportunity to live, dine, and learn on the picturesque University of Michigan campus.

Lodging and Meals

Last summer, students resided in South Quad, located on the central campus at the University of Michigan. The convenience of on-campus dining options, study spaces, and recreational areas adds to the appeal of living in the dorms during the summer.

Academics in Action

Afternoons at Summer Springboard bring learning to life through Academics in Action, a dynamic mix of academic excursions, guest speakers, instructor-led activities and independent study. Students will explore their interests beyond the classroom and apply new knowledge, hands-on.

College Readiness Workshops

All students choose and participate in two of the four offered workshops designed to engage youth with various skills for a successful transition to college. The 90-minute sessions cover Speaking with Confidence, Mastering Money, Developing Leadership and Prepping for College and Career.
