Summer Springboard programs are not run by our campus partners (with the exception of Cal Poly, University of Washington Foster School of Business, and NYSID which are run in partnership with SSB). Universities and their affiliated departments and partners do not control and are not responsible or liable in any manner for any part of the Summer Springboard program.

Student Life

Students reside in the heart of New York City. Enjoy the charm that the city has to offer when you grab a coffee, hop on the subway for your daily commute, or explore the neighborhood with your fellow students.

Lodging and Meals

Students share a suite-style dorm with an ensuite bathroom - just like freshmen on campus often would! Your Resident Mentor lives nearby should there be anything you need, and to ensure your safety and security. Most meals will be eaten at local eateries around the city or catered at NYSID between classes. Students have the opportunity to live day-to-day like a college student at NYSID.

College Readiness Workshops

All students choose and participate in a rotation of workshops designed to engage youth with various skills for a successful transition to college. The workshop sessions cover Speaking with Confidence, Mastering Money, Developing Leadership, Prepping for College & Career. Led by experienced instructors, these workshops provide a solid foundation to help students navigate their future academic endeavors.

Requirements

- For students entering grades 9-12
- A grade point average of 3.0 (or equivalent)
