Student Life

This summer, our students will reside at a college campus in the vibrant heart of midtown Manhattan. They'll immerse themselves in the vibrant atmosphere of urban campus life, all while enjoying the security of a closely monitored environment. Our students will have convenient access to New York's abundant cultural, financial, and historical attractions. It promises to be an unforgettable experience!

Lodging and Meals

Students will be housed in a residential building that offers 24-hour security, study lounges, a computer lab, and a laundry room for their convenience. Each student will reside in a suite with a single room or share with one roommate. Bathrooms are shared within each individual suite. All rooms are equipped with air conditioning for added comfort. The majority of meals will be provided at the local dining hall on campus, and we can cater to a diverse array of dietary needs.
