Summer Springboard programs are not run by our campus partners (with the exception of Cal Poly and NYSID which are run in partnership with SSB). Universities and their affiliated departments and partners do not control and are not responsible or liable in any manner for any part of the Summer Springboard program.

## Student Life

This summer, our students will reside at a college campus in the vibrant heart of midtown Manhattan. They'll immerse themselves in the vibrant atmosphere of urban campus life, all while enjoying the security of a closely monitored environment. Our students will have convenient access to New York's abundant cultural, financial, and historical attractions. It promises to be an unforgettable experience!

## Lodging and Meals

Students will be housed in a residential building that offers 24-hour security, lounges, and free laundry. Each student will reside in a suite with a single room or share with one roommate. Bathrooms are shared within each individual suite. All rooms are equipped with air conditioning for added comfort. The majority of meals will be provided at the local dining hall on campus, and we can cater to a diverse array of dietary needs.

## College Readiness Workshops

All students participate in a rotation of workshops designed to engage youth with various skills for a successful transition to college. The workshop sessions cover Public Speaking, Financial Literacy, Leadership, and College Admissions. Led by experienced instructors, these workshops provide a solid foundation to help students navigate their future academic endeavors.

## Requirements

- For students entering grades 9-12
- A grade point average of 3.0 (or equivalent)
