

SUMMER
SPRINGBOARD

Blockchain & Cryptocurrency

COURSE INFO SHEET HYBRID PROGRAM

PROGRAM HIGHLIGHTS

- **Understand basic Cryptoeconomics:** Be able to design cryptoeconomic models, and use existing cryptoeconomic models.
- **Understand the potential of crypto tokens** when used with well designed cryptoeconomic models and be able to design tokens for different value abstractions.
- **Understand what blockchain is as a data structure** and how the Bitcoin application utilizes blockchain and other existing systems to work together (P2P network, PoW algorithm, hashing functions).
- **Understand Peer to peer (P2P) computer networks**, and list examples of existing P2P networks.
- **Centralization vs. Decentralization:** Understand the difference between the centralized/decentralized applications of a given technology or system.
- **The history of money:** Define what "sound money" is, list the chronological evolution of abstractions of value throughout human history, and summarize the history of how we got to where we are in the context of money.

CAMPUS LOCATION & DATES

Yale
July 4 - July 14, 2022

ACADEMIC PROGRAM OVERVIEW

This innovative college-level course in partnership with iXperience is perfectly designed to help high schoolers gain real world knowledge and experience before committing to a Digital Marketing path in college. You will get the opportunity to apply your newly gained skills to a hands-on project for a positive cause. While specific briefs vary from course to course, all of the projects are selected to perfectly complement the skills covered in class and enable students to make a real-world impact.

- Courses take place from 9am - 12pm Pacific Time
- 2-4 hours of homework every week day.
- Week 1: Focus on picking up new industry-relevant skills at a rapid pace.
- Week 2: Collaborate on a social impact project that you can add to your resume and discuss in job interviews.
- Certificate of boot camp completion.

HYBRID PROGRAM OVERVIEW

Students in our Hybrid program receive a truly unique, immersive experience coupling our in-person and online programs. Students will stay at our quintessential dormitories at Yale, while taking classes online from top notch staff recruited from across the globe. We will have spaces set up for students to go and attend their online class and join their classmates from around the world.

GUEST SPEAKERS AND EXCURSIONS

Students visit Platt LaBonia for a behind the scenes look at running a small business. In addition, they will visit one of the startup business incubators in the New Haven area to meet with real world entrepreneurs.

STUDENT LIFE

The iconic Yale campus hosts a range of spectacular common areas to relax with new friends. Grab a coffee and stroll through the lush grounds surrounding you.

Known for its vibrancy, the historical town of New Haven offers students the chance to experience an array of diverse, top rated restaurants, shops, world renowned museums and a bustling live music scene.

ACTIVITIES & EXCURSIONS

Students will venture into New York and experience all this thriving metropolis has to offer. A day immersed in history, culture, and inspiration awaits as you explore the grandeur of this world renowned city.

Enjoy adventurous team building activities and take part in educational excursions to organizations working in your academic field of interest.

LODGING & MEALS

Students share a dorm room (without A/C) and use a common bathroom at Yale - just like freshmen on campus often would! Your Resident Advisor lives down the hall should there be anything you need, and to ensure your safety and security. Meals will be at the Dining Hall (within walking distance of the dormitory), or at local eateries in New Haven which can accommodate all diets.
