ACADEMIC PROGRAM OVERVIEW:

This innovative college-level course in partnership with iXperience is perfectly designed to help high schoolers gain real world knowledge and experience before committing to a Digital Marketing path in college. You will get the opportunity to apply your newly gained skills to a hands-on project for a positive cause. While specific briefs vary from course to course, all of the projects are selected to perfectly complement the skills covered in class and enable students to make a real-world impact.

- Courses take place from 9am - 12pm Pacific Time
- Week 1: Focus on picking up new industry-relevant skills at a rapid pace.
- Week 2: Collaborate on a social impact project that you can add to your resume and discuss in job interviews.
- Certificate of boot camp completion.

This class was one of the most rewarding classes I have ever taken, and I honestly could not have asked for a better teacher. Figuring out my career path now seems a little less daunting thanks to the iX teaching team.
