

**SUMMER**  
SPRINGBOARD  
Look Inward. Go Upward.

# Massachusetts Institute of Technology (MIT) Program Infosheet

New student admissions for  
Summer 2025 are open

## About

As one of America's oldest cities, Boston is home to some of the most prestigious universities. Our program is held on the campus of the Massachusetts Institute of Technology (MIT) in Cambridge. Additionally, we leverage resources from other top institutions, including Harvard and Brigham and Women's Hospital, to create an exceptional learning experience. Cambridge and Boston provide idyllic settings for Summer Springboard students to immerse themselves in college life.

## Session Dates:

- Session 1: June 22 - July 4
- Session 2: July 6 - July 18

## Academic Courses:

- Fundamentals of Engineering
- Business and Entrepreneurship
- Neurobiology
- Engineering - A Project Based Introduction
- Artificial Intelligence (Session 1)
- Cybersecurity (Session 2)
- Biotechnology
- Dentistry
- Pre-Medicine

Summer Springboard programs are not run by our campus partners (with the exception of Cal Poly and NYSID which are run in partnership with SSB). Universities and their affiliated departments and partners do not control and are not responsible or liable in any manner for any part of the Summer Springboard program.

## Student Life

Students will live on the campus of MIT in the heart of Boston, under the guidance of accomplished instructors from Harvard, MIT, and other prestigious universities. With so many highly ranked educational institutions surrounded by rich history, art, and culture, students will have an endless list of things to do during their time on campus.

## Lodging and Meals

Students will reside in one of the MIT dormitories, in traditional-style accommodations. Each room includes an extra-long twin bed, a desk, drawers, a mirror, and a closet. Mentors live on the halls are available to assist with any needs. Students will dine at the New Vassar dining hall, conveniently located near where they will be living.

## College Readiness Workshops

All students participate in a rotation of workshops designed to engage youth with various skills for a successful transition to college. The workshop sessions cover Public Speaking, Financial Literacy, Leadership, and College Admissions. Led by experienced instructors, these workshops provide a solid foundation to help students navigate their future academic endeavors.

## Requirements

- For students entering grades 9-12
- A grade point average of 3.0 (or equivalent)
