Student Life

Students will be living at Fordham University's Lincoln Center campus in the heart of midtown Manhattan. Experience urban campus life in a safe, security-monitored environment. Just a few blocks from Columbus Circle and Central Park, students have easy access to New York's cultural, financial and historic landmarks.

Lodging and Meals

Students will stay in the residential building, McMahon Hall, with 24-hour security, study lounges, and several laundry rooms. The rooms are suite-style, where students live with double and triple bedrooms in either two or three-bedroom suites with one or two bathrooms, air-conditioned, and a living room. Most meals on campus will be at the local dining hall. We can accommodate a wide range of dietary needs.
