Looking for an opportunity to gain valuable teaching experience and share your business acumen and entrepreneurial spirit?

[Summer Springboard](#) is recruiting an innovative and dynamic individual to deliver a hands-on course in Business & Entrepreneurship for our pre-college summer program for high school students. We have a curriculum, but there is room to create and challenge the students as they learn to analyze investment opportunities and visit a rapidly growing company to hear about their struggles and successes with scaling up. The program culminates with students creating their own business plan and pitching it to simulated investors. You will deliver the course in-person for the 2-week sessions from 9am-12pm daily (M-F only). Instruction at Georgetown will occur 9am-12pm daily (Tue-Fri week one, Mon-Fri week two). The exact number of sessions per campus will vary. Please contact us for specific session dates at each campus.

Who are we? Summer Springboard was founded to give college-bound teens a supportive environment where they can explore their personal and academic passions. Our innovative pre-college summer programs, offered at some of the nation's leading colleges and universities, combines the benefits of an academically challenging summer experience with tools and frameworks for personal leadership development and self-discovery. We're a division of [Terra Education](#), a mission-driven Certified B-Corporation and are headquartered in San Diego, CA.

Compensation: Competitive Stipend, Daily parking
