

**SUMMER
SPRINGBOARD**
Look Inward. Go Upward.

Berkeley Middle School Program Infosheet

New student admissions for
Summer 2025 are open.

About

From architecture to psychology, Summer Springboard in Berkeley offers students a chance to explore everything the San Francisco Bay Area has to offer. Students have the opportunity to connect with peers from around the world, visit iconic landmarks and world class museums, and discover the unique blend of innovation and creativity that defines San Francisco and Silicon Valley.

Session Dates:

- Session 1: July 06 - July 11
- Session 2: July 13 - July 18
- Session 3: July 20 - July 25
- Session 4: July 27 - August 01

Academic Courses:

- Architecture
- Astronomy: Space Explorers
- Business & Entrepreneurship
- Medicine
- Psychology & Neuroscience

Courses are taught by accomplished and passionate faculty recruited from many area colleges, universities and professional forums. Each faculty member is selected for their subject area expertise and proven ability to both challenge and captivate students.

Summer Springboard programs are not run by our campus partners (with the exception of Cal Poly, University of Washington Foster School of Business, and NYSID which are run in partnership with SSB). Universities and their affiliated departments and partners do not control and are not responsible or liable in any manner for any part of the Summer Springboard program.

Student Life

While living like a Berkeley undergrad, enjoy hanging out in the common areas, both indoors and out. This is California, after all! Also, don't forget to grab some of the best local coffee or boba tea in the neighborhood while you're here. Telegraph Avenue is a great spot to meet with friends for a quick outing.

Lodging and Meals

Students share a dorm room (without A/C) and use a common bathroom - just like freshmen on campus often would! Lodging will be in the same Residence Halls Complex as Berkeley freshman. Meals will be at Crossroads Dining Commons or at local eateries in Berkeley which can accommodate most diets.

Afternoon Labs

In the afternoons, the middle school students participate in academic labs that will give them time to tinker on their course projects or work on a hands-on project that will bring their learning to life.

Requirements

- Middle School Program: Students must be between the ages of 11-13 and have finished 6th grade
- A grade point average of 3.0 (or equivalent)
