Student Life

While living like a Berkeley undergrad, enjoy hanging out in the common areas, both indoors and out. This is California, after all! Also, don't forget to grab some of the best local coffee or boba tea in the neighborhood while you're here. Telegraph Avenue is a great spot to meet with friends for a quick outing.

Lodging and Meals

Students share a dorm room (without A/C) and use a common bathroom at UC Berkeley - just like freshmen on campus often would! Lodging will be in the Unit 2 Residence Halls Complex on-campus. Meals will be at Crossroads Dining Hall or at local eateries in Berkeley which can accommodate all diets.
