Student Life

The iconic Yale campus hosts a range of spectacular common areas to relax with new friends. Grab a coffee and stroll through the lush grounds surrounding you. Known for its vibrancy, the historical town of New Haven offers students the chance to experience an array of diverse, top rated restaurants, shops, world renowned museums and a bustling live music scene.

Lodging and Meals

Students share a dorm room and use a common bathroom at Yale - just like freshmen on campus often would! Your Mentors live down the hall should there be anything you need, and to ensure your safety and security. Meals will be at Yale's award winning Dining Halls (within walking distance of the dormitory), or at local eateries in New Haven which can accommodate all diets.

College Readiness Workshops

All students participate in a rotation of workshops designed to engage youth with various skills for a successful transition to college. The workshop sessions cover Public Speaking, Financial Literacy, Leadership, and College Admissions. Led by experienced instructors, these workshops provide a solid foundation to help students navigate their future academic endeavors.
